

Thursday 2/16/2023 – Activator

Directions: [Check the forecast](#) for the next 3 days and get ready to continue with your creative Adobe Express Meteorology Unit Project!

Thursday 2/16/2023

Steps for today.....

1. Meteorology Unit Project Continued!- Creating a Graphic for the topic of your choice! See [project example](#)
 - Get your [graphic organizer](#) from me.
 - Look over the [rubric](#) on the back.
 - Complete your graphic organizer. **Use resources!!!**
 - Conference with me about information to see if ready to design poster or graphic
 - Access assignment in Teams to watch some [tutorials](#) and get going on your design!
 - **Have fun and be creative! You are not going to break Adobe Express by messing around with it to learn what it can do. There is ALWAYS undo!** 😊
